

FORMAX®

AutoSeal® FD 1406 LOW-VOLUME PRESSURE SEALER

The FD 1406 AutoSeal® offers a user-friendly low-volume solution for processing one-piece pressure sensitive mailers. With a speed of up to 73 forms per minute and the ability to process forms up to 14" in length, the FD 1406 enables operators to complete daily processing jobs with ease. The **color touchscreen control panel** uses internationally-recognized symbols in place of text, making it easy for anyone to use.

Standard features include fold plates that are easy to set and adjust, and drop-in top feed system, all in a compact and sleek desktop design. Fold plates are pre-marked for standard folds for 11" and 14" form sizes, and can be easily adjusted for custom folds. Fold types include Z, C, Uneven Z and C, Half and custom folds.

Pressure seal mailers can be used for virtually any application that can be printed on one form, including checks, invoices, school reports, tax forms and appointment notices.

Built in the USA with proven Formax technology, the innovative touchscreen, simple set-up and operation make the FD 1406 an ideal solution for any church, school or small business that is cost conscious but requires the versatility and dependability of a more expensive pressure sealer.

Standard "Z" Fold Process

Standard Features

- Color Touchscreen Control Panel:** Graphics-based and designed for easy, walk-up use
- Compact Desktop Design:** The user-friendly design provides easy installation and operation
- Drop-In Top Feed System:** Produces dependable feeding of forms with no paper fanning required
- 14" Form Length Capability:** Flexibility to process forms up to 14" in length
- Speed:** Up to 73 forms per minute
- Fold Types:** Folds Z, C, Uneven Z, Uneven C, Half and custom folds
- Hopper Capacity:** Up to 160 forms, 20#
- Easy-Adjust Pre-Marked Fold Plates:** Makes changing fold type or form size quick and easy
- Six-Digit resettable Counter:** Provides maximum audit control

Flexible

The FD 1406 handles a variety of pressure seal forms up to 8 1/2" x 14" including checks, invoices, school reports, tax forms and appointment notices. Pressure seal mailers can be used for virtually any application that can be printed on one form.

Dependable & Powerful

The FD 1406 is built with proven Formax technology. Heavy-duty steel construction offers the dependability and power expected of a larger unit in a smaller package. With a processing speed of up to 73 forms per minute, operators can complete daily jobs in no time.

Factory Direct Warranty Support

The FD 1406 comes with a 90-day factory direct warranty* that includes phone support and depot service.

The following optional on-site services are also available:

- On-site installation and training only (one visit), by our local provider.
- Service Contract providing preventive maintenance and on-site support after the 90-day warranty.
(On-site installation and training not included with service contract but available separately.)
